

# 1<sup>st</sup> International Conference on Intelligent Informatics and BioMedical Sciences ICIIBMS 2015 November 28-30, 2015, Okinawa, Japan

## Scope

ICIIBMS 2015 creates an opportunity to share ideas and discuss current topics in the field and at the interface of computer science and biology. The conference is a three day event with oral presentations, poster sessions, and plenary lectures.

## Conference Tracks

- Track 1: Signal Processing, Computer Networks, and Telecommunications**
- Track 2: Artificial Intelligence, Robotics, and Human-Computer Interaction**
- Track 3: Bioinformatics, Medical Imaging, and Neuroscience**

## Venue

Okinawa Institute of Science and Technology Graduate University (OIST) in Okinawa, Japan.

## Publication

All papers published in the ICIIBMS 2015 Conference Proceedings will be submitted to IEEE for inclusion into IEEE Xplore and selected papers will be considered for publication in the Journal of Applied Science and Computer Science (ASCSPub, <http://www.ascspublications.org>). We invite you to submit your original technical paper to this conference. All submission will be peer-reviewed by experts in each topic.

## Important Dates

Organize Session Due:	May 30, 2015
Only Abstract Presentation Due:	July 25, 2015
Full Paper Submission Due:	July 30, 2015
Notification of Acceptance Due:	Aug 30, 2015
Camera -Ready Due:	Sept 20, 2015
Author Registration Due:	Sept 30, 2015

## Steering Committee

General Chair:	Shiro Tamaki, Japan
Executive Chair:	Shinay Ikematsu, Japan
Program Chairs:	Dai Fengzhi, China
	David Van Vactor, USA
	Anezaki Takashi, Japan
Local Chair:	Fumiaki Takemura, Japan

*For details go to <http://www.iciibms.org> and take this opportunity to visit beautiful Okinawa!*
